

GymCore Academy Tuition & Payment Agreement

By registering for any GymCore Academy class, workshop, program, event, camp, virtual experience, or enrichment activity (collectively referred to as the “Program”), I acknowledge and agree to the following payment policies and responsibilities.

GymCore Academy is an extension of GymCore LLC designed to provide non-athletic extracurricular experiences focused on creativity, exploration, collaboration, confidence, and lifelong learning. Programs may include, but are not limited to, art, STEM activities, science experiments, entrepreneurship, leadership development, team-building activities, gardening, creative projects, virtual learning experiences, community activities, workshops, camps, and other enrichment opportunities.

Enrollment & Payment Authorization

I understand that registration and payment are required to reserve my child’s placement in any GymCore Academy Program.

A participant’s spot is not guaranteed or reserved until all required registration forms have been completed and payment has been received.

GymCore LLC reserves the right to require a valid payment method on file for Academy Programs and may charge applicable tuition, membership fees, registration fees, supply fees, material fees, deposits, or other approved program-related charges.

By completing registration, I authorize GymCore LLC to charge my payment method on file according to the payment schedule and policies outlined in this agreement.

Program Tuition & Fees

I understand that GymCore Academy Programs may have different payment structures depending on the type of program offered.

Programs may include:

- Recurring monthly enrollment programs
- Short-term sessions
- Workshops
- Camps
- Virtual classes
- Special events
- Project-based experiences
- Community enrichment programs

Program pricing, payment schedules, applicable fees, and enrollment requirements will be communicated at the time of registration.

Recurring Academy Programs

Recurring GymCore Academy Programs follow the same billing schedule, payment requirements, and account policies outlined in the GymCore LLC Tuition & Payment Agreement.

Monthly tuition payments will automatically process on the **24th of each month** for the upcoming month of participation.

If I prefer to pay by another approved payment method, including check or Venmo, payment must be received by **the 22nd of the month** to prevent the scheduled automatic payment. Failure to submit alternate payment before the scheduled billing date does not remove responsibility for payment.

Membership Fees

I understand that GymCore LLC requires a monthly membership fee associated with enrollment or recurring Programs.

The current membership fee is **\$7.49 per student (if applicable)** and will be charged according to GymCore's current registration policies.

Membership fees are non-refundable once charged.

Registration Fees & Material/Supply Fees

I understand that certain GymCore Academy Programs may require additional fees associated with materials, supplies, project resources, technology, facility usage, guest instructors, or special experiences. Material and supply fees are used to prepare resources specifically for participants and may be non-refundable once purchased or committed.

Due to the nature of project-based learning, supplies and materials may be prepared in advance based on enrollment numbers.

Withdrawal & Cancellation Policy

I understand that withdrawal from recurring GymCore Academy Programs must follow the official withdrawal procedures established by GymCore LLC.

- I understand that enrollment in GymCore Programs continues automatically unless I officially withdraw according to GymCore's withdrawal procedures.
- Failure to attend classes, verbal notification to a coach, or non-payment does not constitute an official withdrawal.
- To discontinue enrollment, I must complete GymCore's required withdrawal process before the applicable deadline.
- I understand that tuition remains due until my withdrawal request has been properly submitted and processed.

Camps, Workshops & Special Events

Payments for GymCore Academy camps, workshops, special events, and short-term programs are due at registration unless otherwise stated.

Due to limited enrollment, instructor preparation, project planning, material purchases, and operational costs, payments for special programs may be non-refundable and non-transferable.

Any cancellation, transfer, or credit requests will be handled according to the specific program policies communicated at registration.

Virtual Program Policy

For virtual GymCore Academy Programs, payment secures access to scheduled instruction, curriculum, resources, and materials provided.

Families are responsible for providing appropriate technology, internet access, and a suitable learning environment.

Technical difficulties, internet interruptions, scheduling conflicts, or inability to participate do not automatically qualify for refunds, credits, or account adjustments.

Missed Classes, Events & Attendance Policy

GymCore Academy Programs do **not** offer make-up opportunities for missed classes, workshops, events, or activities.

Due to the nature of Academy programming, including curriculum preparation, instructor planning, project materials, scheduling, and program structure, there are no refunds, credits, or account adjustments provided for:

- Missed classes
- Missed workshops
- Missed events
- Absences
- Scheduling conflicts
- Inability to attend a registered activity

Families are responsible for ensuring attendance once enrolled in a GymCore Academy Program.

Past Due Accounts

GymCore Academy accounts follow the same past-due policies outlined in the GymCore LLC Tuition & Payment Agreement.

- If an account becomes more than **7 days past due**, a **\$20 late fee** will automatically be applied.
- Participants with past-due balances may not participate in classes, clinics, camps, events, showcases, or any other GymCore Programs until the account balance has been paid in full.
- If an account remains unpaid for **30 or more days**, GymCore LLC reserves the right to remove the participant from current enrollment.
- Re-enrollment may require payment of all outstanding balances before participation resumes.

Tuition Assistance & Sponsored Participation

I understand that tuition assistance, scholarships, sponsorships, or discounted participation opportunities may have specific eligibility requirements and expectations.

If participation is supported through a GymCore Academy scholarship, sponsor contribution, or financial assistance program, families are still responsible for:

- Completing all required registration documents
- Following GymCore Academy policies
- Maintaining appropriate participation standards
- Communicating any concerns or changes with GymCore LLC

Failure to meet program expectations may impact eligibility for continued assistance.

Account Responsibility

The parent or guardian listed on the account is financially responsible for all charges associated with participation.

I agree to maintain accurate contact and payment information and promptly update GymCore LLC regarding any changes.

Promotional Pricing & Discounts

I understand that promotional offers, discounts, scholarships, referral credits, and special pricing may have specific terms, expiration dates, and eligibility requirements.

Discounts and promotions may not be combined unless otherwise stated.

GymCore LLC reserves the right to establish, modify, or discontinue pricing, fees, programs, and promotional offers.

Acknowledgment & Agreement

By completing registration, I acknowledge and agree that:

- Payment is required to reserve participation.
- I am responsible for all charges associated with my account.
- Recurring Academy Programs follow GymCore's established billing and withdrawal policies.
- Membership fees follow GymCore's standard membership requirements.
- Missed classes, events, or activities do not qualify for make-ups, refunds, or credits.

I have reviewed and agree to follow all GymCore Academy payment policies.
